ABOUT

Check for a Lump began in 2009 as a simple call to action on social media “Don’t be a Chump! Check for a Lump!” and has grown to become a prominent 501(c)(3) figure in the Arizona breast cancer community with four pillar programs: Education, Mammograms, Wigs, and Support. Over the past 15 years, we have expanded to provide the full continuum of services that surround breast health and breast cancer support.

Since our initial outreach began, we have:

- Educated over 750,000 people about breast health facts and prevention
- Provided over 2,500 free wigs to women undergoing chemotherapy
- Served over 2,600 women with free mammograms
- Supported over 1,330 survivors with support groups and Super Survivor Kits

Check for a Lump takes great pride in fostering collaborative relationships with fellow non-profits to deliver the most efficient, effective, and supportive programs possible. In our community, there is a pressing need not only to educate individuals about the importance of breast health and self-care, but also to provide services for those without insurance who require access to annual screening mammograms. Additionally, we recognized the need to support breast cancer patients both during and after treatment by providing additional resources and comfort kits. By sharing these resources, we empower patients and their families to access the support they need.

By funding Check for a Lump, you help the Arizona breast cancer community access vital resources, educational programs, and essential support services that empower individuals to prioritize their breast health and navigate their treatment journeys with confidence.

PROGRAMS

 **EDUCATION PROGRAM** - Empowering people in Arizona and beyond with invaluable breast health facts and prevention information in English and Spanish. Distribution through annual magazine publication (online and in print), social media, website, podcast and other media outlets.

 **MAMMOGRAM PROGRAM** - Providing free screening mammograms and diagnostic testing necessary for an “all clear” or a diagnosis of breast cancer to qualifying people in Arizona. We are able to provide screening mammograms through mobile mammography events with our community partners as well as provide facility-based exams.

 **WIG PROGRAM** - Impacting the lives of women in Arizona undergoing chemotherapy treatment for breast cancer with a free new wig - providing them the comfort and normalcy they deserve. Clients apply online and, once approved, may select a wig of choice up to \$300 at one of our approved wig shops.

 **SURVIVOR SUPPORT & RESOURCES PROGRAM** - Super Survivors Unite and A 2nd Act Girls Night Out foster a sense of community for survivors and their co-survivors to connect over their shared experiences at fun gatherings. We share stories, words of encouragement, and lots of laughter. It is during these events, as well as within our magazine and on our website, that we share additional resources that are available to those who have been affected by breast cancer. Super Survivor Kits are offered to people going through active breast cancer treatment. Each kit includes comfort items, selected by other survivors, to help them during a difficult time.

2025 WIG OUT

This year, you are the hero we need to help us continue our mission. By joining our 15th Annual WIG OUT fundraiser, you can become a vital part of the fight against breast cancer, providing support and resources to those who need them most.

We invite you to embark on an "Under the Sea" adventure at our 15th Annual WIG OUT fundraiser on Friday, October 17, 2025, at Legacy Place III. Guests will dive deep into their imaginations, don enchanting wigs and sea-inspired costumes, and enjoy a hair-raising night of light bites, drinks, a silent auction, and a costume contest.

For 15 years, Check for a Lump has been a beacon of hope and support for people affected by breast cancer in our Arizona community. Unfortunately, breast cancer doesn't wait and it doesn't discriminate. It can be a life-altering diagnosis, and can take an emotional toll on the individual and their family. Many people in our community face barriers to care, financial limitations, and lack of resources. Our annual WIG OUT event was born out of the need to create a joyful way to rally support, raise funds, and make a difference in the lives of those affected by breast cancer.

Hear from one of our wig clients who needed us during her treatment:

"I've been fighting breast cancer for 3.5 years now. . . I thought I could handle not having hair, but it upsets my children. My youngest boy is 8 and he doesn't like for anyone to know that I have cancer. He was so upset when I shaved my head but I had to because the hair was falling out in handfuls. Finances are not at their best right now. It means so much to have the little things - like looking normal and feeling feminine in my wig from Check for a Lump." - Erin

Please join us in this new tradition of an autumn WIG OUT costume and cocktail FUNdraiser, where together we'll create waves of awareness and support for a critical cause.

Ashley Plum
Executive Director

2025 PINK OUT

What began as a small community gathering, the Pink Out has grown into a cornerstone event for Check for a Lump. Since its inception, this inspiring fun run/walk has supported our mission, programs, and breast cancer community, bringing together people from all walks of life to stand united in the fight against breast cancer.

The supporters, participants, and sponsors of the Pink Out fuel the energy and impact of this event. Through your enthusiasm and contributions, you bring hope, connection, and resources to individuals navigating the challenges of breast cancer.

Without events like the Pink Out, many in our community would lack access to life-saving mammograms, essential education, and the supportive services needed to face breast cancer with confidence.

Hear from Gina, team leader of Gigi's Chichi's and breast cancer survivor:

"My friends and family are ALWAYS there for me. This journey of back-to-back triple-positive, invasive breast cancer (2019 and again in 2020, while still undergoing treatment for the first one) has been incredibly challenging but my support helped me through it all. The support I received from Check for a Lump has been greatly appreciated—we are not alone. I love what this organization is all about. My friends and family walk with me at their Pink Out 5K event to show our gratitude, and our group keeps growing bigger every year!" Gina R. □

The 9th Annual Pink Out invites you to grab your PINK, form a team, and walk, run, skip, or dance through a day of unity and celebration. The event features a vibrant Vendor Village, delicious food trucks, a fun kids' play zone, and free screening mammograms.

The power of community can transform lives. By participating in the Pink Out, you not only support Check for a Lump's mission but also create lasting hope for those affected by breast cancer and their families.
